

OUR YOUNG FOLKS.

Greedy Tom.

What does Tommy think about
In the summer time,—
When the bobolink flies over
When the meadow-flag is blooming,
And the roses in its prime?
"Now," says Tommy, "we shall have
Lemonade and cherries,
Lamb, and peas, and cucumbers,
And all kind of berries,
Freshly gathered ripe and sweet:
Summer brings good things to eat!"
Oh, I would not like to be
Such a greedy boy as he.

DEAR EDITOR:—Enclosed find a list
of names for Company B: Freddie
Rutz, Minnie Rutz, Rosalie Haynes,
Pearl Ross, Howard Ross, Jacob Ross,
deceased, Nellie E. Ross, Monte J.
Frantz. Brother Jacob is dead, but it
was his wish that his name be put on
the list.

NELLIE E. ROSS.

DEAR EDITOR:—I thought I would
write for the Children's Column, as I
have not written for a long time. I
am going to school. There is only
one week of school any more. It is
very rainy at present. I go to Sunday
school.

BIRCHARD CAIN.

Hudson, Iowa.

DEAR EDITOR:—This is my first at-
tempt to write for the Children's Col-
umn. I love to read the little letters.
Our love feast was last Saturday, and
on Sunday I attended three Sunday
schools. The Methodist at ten o'clock,
the Baptist at twelve o'clock and the
German Baptist at three o'clock. I
am nine years old. I will send ten cts.
for Company B. I will close for this
time.

MINNIE SHOWALTER.

Morrill, Kansas.

DEAR EDITOR:—This is my first at-
tempt to write for the EVANGELIST. I
will be thirteen years old on the 21st of
June. My mama, papa, sister and I
belong to the Brethren church. My
sister is younger than I. She had a
very sick spell of inflammatory rheu-
matism, but is better now. I have four
sisters and one brother. Enclosed find
ten cents for Company B.

DELLA M. RIPLE.

Johnstown, Pa.

DEAR EDITOR:—I thought I would
write a letter to the EVANGELIST as I
have not written before. I am nine
years old and read in the Second Read-
er. Mark Harvey was my teacher this
winter. Mr. Swihart preaches here.
He will preach next Sunday. I will
close by asking a question: How many
times is the name Christ used in the
Bible.

Good by,

ALONZO L. KING.

DEAR EDITOR:—I thought I would
write for the Children's Column. I
went to school this summer. My studies
are Third Reader, Arithmetic and
Speller. We have half a mile from
Tiosa. I go to Sunday school every
Sunday. My teacher's name is Mrs.
Clemens. I like her very much. It
rained this forenoon. The good Lord
gives us rain so things can grow for us.
I must come to a close,

OLIVER PALMER.

The Way to Pay for the College.

"The effectual fervent prayer
of a righteous man availeth
much." James v. 16. This is
what we need so that we can pay
for the Ashland College. Says
one, that is what we want. We
must have money, yes that is it,
and let me tell you how to get it.
Where is the man that dare say
there is no power in fervent
prayer. Dear brother and sister
did you ever offer up a prayer
for the saving of the College? if
not, it is high time. Get down
on your knees and offer a fervent
prayer to God that he may put it
in the hearts of the people to
give and do not forget to pray
for yourself so you will give,
bountifully and cheerfully, for
God loveth a cheerful giver.

If every brother and sister in
the progressive brotherhood will
offer such a prayer the College

will be paid in less than four
weeks. Now we all can offer a
fervent prayer and we all can
make our prayer effectual by
giving. Will we do it? God
help us to do it.

Do you really want the Col-
lege saved? if you do, just give
the wages of one day's work, if
you all do this the College will
be paid and money left. God
help them to give. Dear brother
and sister, are you really pro-
gressive? if you are, you will
not let Ashland College be sold
for that would not be progression.
We can not afford to be without
a school, where the gospel-alone
doctrine is taught.

Remember our church is large-
ly made up of young people and
soon our children will be large
enough to send them away to
school, and if we send them to
other schools we are in danger
of losing them. Then we will
wish, oh, it we just had saved
our College. \$6,000 more then
it will be ours. What is that for
the brotherhood? Pray for the
Holy Ghost to come in your
hearts and it will be made up.
God has promised to give the
Holy Ghost to them that ask.
Yes, the Holy Ghost will make
you willing as it did the day of
Pentecost. Acts 11:45.

I suggest we do as they
did in the days of the apostles:
they chose men of the Holy
Ghost to look after the poor.
Now here is the Ashland Col-
lege, it is poor. It needs help
and if it will not get it, it will go
under.

Now let us do as the apostles
did, in every congregation in the
brotherhood. Choose some that
are full of the Holy Ghost and
then go and see each member
and get them to work one day
for the College. How easy the
College can be paid with the
wages of one day's work. Are
you not all willing just to work
one day. Do what is right and
then you are righteous and the
righteous shall enter the king-
dom of heaven.

SYLVANUS SUMMERS.

Better Than Gold.

"I will give that to the mis-
sionaries," said Billy, and he put
his fat hand on a little gold dol-
lar, as he counted the contents
of his money-box.

"Why?" Susie asked.
"Cause it's gold. Don't you
know the wise men brought
Jesus gifts of gold? And the
missionaries work for Jesus?"

Stillness for a little, then Susie
said: "The gold all belongs to
Him anyhow. Don't you think
it would be better to go right to
Him and give him what he asks
for?"

"What's that?" Billy asked.
Susie repeated softly, "My son,
give me thine heart."

Sel.

To Men And Boys.

"It is a difficult thing," said
Francis A. Waterhouse, head
master of the English High
School, in Boston, a few years
ago, "to make a boy understand
that he is going to injure himself
by smoking, especially when he
sees so many men, and men of
such character, smoking on the
street and elsewhere. Indeed,
how can you expect otherwise
when they have such examples
before them?"

But how about the boys them-
selves? If we are to have any
real men to do the world's work,

it will be because there are boys
of today who will do right
whether any one else does so or
not. Out of such boys the best
sort of men are made, and the
best men, the very best, are not
so selfish as to make others un-
comfortable with a useless, dirty,
poisonous weed, whether it hurts
themselves or not.

It is the sharp flash, not the

good acts are the fruit which
alone brings more flowers.

One good thought retained and
ninety-nine bad ones let go, and
we would be better off.

High-Pressure

Living characterizes these modern days.
The result is a fearful increase of Brain
and Heart Diseases—General Debility,
Insomnia, Paralysis, and In-
sanity. Chloral and Morphia augment
the evil. The medicine best adapted
to do permanent good is Ayer's Sas-
saparilla. It purifies, enriches, and
vitalizes the blood, and thus strengthens
every function and faculty of the body.
"I have used Ayer's Sarsaparilla, in
my family, for years. I have found it
invaluable as

A Cure

for Nervous Debility caused by an in-
active liver and a low state of the blood."
—Henry Bacon, Xenia, Ohio.

"For some time I have been troubled
with heart disease. I never found any-
thing to help me until I began using
Ayer's Sarsaparilla. I have only used
this medicine six months, but it has re-
lieved me from my trouble, and enabled
me to resume work."—J. E. Carzanett,
Perry, Ill.

"I have been a practicing physician
for over half a century, and during that
time I have never found so powerful
and reliable an alterative and blood-
purifier as Ayer's Sarsaparilla."—Dr.
M. Maxstart, Louisville, Ky.

Canker in the mouth can be cured
only by expelling the poisonous humor
from the system. To do this effectually
requires the persistent use of Ayer's
Sarsaparilla, together with a good,
generous diet. One dollar a bottle.
